Midtown Houston has successfully revitalized the portion of Midtown west of Main Street. Over the next 5 years, East Midtown will get its turn. Enhanced roadways, bike lanes, new parks, traffic lights, and relaxed parking requirements, are all part of Midtown's plan to attract new development to the area, bridge together East Midtown, West Midtown, and Downtown, and create an urban, walkable environment. 1500 McGowen is just one of many mixed use projects coming to the neighborhood.
